Firstly, I'd like to extend my gratitude to Mr. James Kwan who has not only been an exceptional lecturer but also a source of inspiration to-do whatever I do well. Mr. Nageb's light-hearted and enjoyable classes made the process of going through the core papers a lot easier. Mr Andy Tan's concise method of teaching assisted my studies. Last, but by no means the least, thank you to all the other lecturers who have made this tough journey much smoother.

Our heartiest congratulations to our SILVER MEDALIST –
