We would also like to take the opportunity to thank our Treasurer, Kim Sovann and Student Welfare Office, Lucy for their dedicated service to the Student Council for the past one year.

SAA Professional Attachment Scheme

SAA ICPAS/ACCA Professional JES Attachment Scheme (PAS) provides students a chance to be put on an industrial internship with CPA firms.

You will put into practice in the real world the skills and knowledge you have acquired in your course of study. Through this scheme, you will be exposed to real working environments for two (2) months, where you are challenged to handle real problems and develop skills such as effective communication and interpersonal skills in the work environment. >> [More](#)
